

## Rainer's Personal Statement of Release

I'm very excited to announce that as of today I'll be partnering with GreySnow Poker. After meeting with the Chairman of the Iowa Tribe of Oklahoma and other esteemed representatives of the Tribe I'm feeling incredibly honored by the trust they put in me.

The fantastic team behind GreySnow Poker has made it clear to me that this project has huge potential upside for the whole poker community.

We're already offering incredible value to customers in the form of 30% overlays of the majority of tournaments.

It's going to be both a challenge and a thrill to represent the GreySnow brand publicly in tournaments around the world and behind the scenes to help steer this fantastic company in the right direction. I'll be bringing you more updates about the brand in the near future, but today I'm just incredibly proud to bring you the news of this opportunity that GreySnow and the Iowa Tribe of Oklahoma have given me.
