

Established Patient Portal Set-Up

If you are a current patient at Perkins Family Clinic and have provided us with your email address, you can now activate your patient portal account.

1. Scan the QR code on the front of the flyer or enter the following web address in your web browser.
<https://perkinsfamilyclinic.myezyaccess.com/Patient/Main.aspx?pg=health>
2. Click on “LOGIN REQUEST”.
3. Use your personal email to set-up create your account.
4. After you submit your request, you will need to wait for a Perkins Family Clinic staff member to approve your request.
5. Once you are granted access, you will have the ability to log-in to the portal.
6. Locate the tabs on the left-hand side of the page and complete all forms in the “FORMS” tab.
7. Complete all the forms in the “AGREEMENT” tab.
8. If all forms are correctly filled out your status will be green and say “APPROVED/ACCEPTED”.
9. Go to your “MESSAGES” tab on the top left-hand side and click “NEW MESSAGE”, then you will be able to attach photos of your driver’s license, social security card, insurance card, proof of residence, and CDIB card. Then, send the message. (Make sure you put the word “Documents” in the subject box.)
10. Registration will receive your message and update your chart.
